#### **1. EDUCATIONAL PROGRAMME GOAL (MISSION)**

The purpose of the Programme is to provide high-quality training of competitive and competent professionals with systemic knowledge in the field of translation theory, practical skills in interpreting and translation in the humanitarian field in general, and in the administrative and legal fields, in particular; the course aims to train specialists who are also able to carry out consultative and communicative, expert-analytical, pedagogical activities, that are in demand in the modern labor market and in the contemporary society.

The mission of the Programme is to meet the educational needs of society in terms of the implementation of legal translation in socially significant contexts, as well as to form a comprehensive transfer of educational information in the main areas of development of the theory of legal translation, the practice of translation in the administrative and legal sphere, the use of ICT in legal translation and interpreting.

# 2. EDUCATIONAL PROGRAMME RELEVANCE, SPECIFICITY, AND UNIQUENESS

The specificity of the Educational Programme, which distinguishes it favourably from other similar Programmes implemented at the leading universities of Russia comprises a number of issues.

First, the Programme provides theoretical and practical training that reveals the importance of legal translation and interpreting for ensuring human rights, equality of states and their legal systems in the modern world. Further, the course forms a set of analytical and practical skills in the field of translation and interpreting for the legislative, judicial and executive (law enforcement) authorities, as well as for the legal support of the corporate entities activities.

## 3. LABOUR MARKET NEEDS FOR PERSONNEL TRAINING IN EDUCATIONAL PROGRAMME PROFILE

Upon completion of the Programme, the graduates' competences, knowledge and skills are relevant and in demand in the industry market for those who strive to apply for a job as an interpreter and translator in international organizations, foreign and Russian companies, a conference interpreter, as well as a translator and interpreter, translation editor or head of translation projects for public authorities involved in law and order issues, as well as for corporations and commercial structures.

Regular contacts have been established with potential employers at the international, regional and federal levels.

#### **5. SPECIAL REQUIREMENTS FOR POTENTIAL APPLICANTS**

- Individuals with a higher education diploma;
- Level B2 (CEFR) as the minimum level of the English language proficiency required for admission to the programme.

To enrol in the Programme, the applicant provides a portfolio that takes into account the data of a diploma of higher education, the quality of a resume, a motivation letter, the certificates and diplomas that confirm a foreign language proficiency, the presence of publications in a foreign language in scientific journals, and other achievements.

The enrollment procedure also includes a creative written task: translation of the English-language newspaper article on legal topics, 1000 characters and an oral interview in

which the applicant comments on the strategy and tactics, the transformations used in the course of the translation.
